Adapter USB 2.0 > Express Card 34 mm

Description

This USB2.0 to Express Card Adapter by Delock enables the use of different 34mm Express Cards. Just plug the USB connector of the adapter to a free USB port of your notebook or PC and insert an Express Card into the Express Card slot. Thus you can easily expand your Computer by additional ports, e.g. USB, CardReader, UMTS, etc.

Ref. 61714
